Increase in coverage: If a policy terminates within 12 months following an increase in coverage, If the termination occurs in months 1 – 6 following an increase, 100% of the Increased Compensation paid will be charged back. If the termination occurs in months 7 – 12 following an increase, 50% of the Increased Compensation paid will be charged back. Loans taken within the first 12 months: Loans taken within the first 12 months will result in a partial chargeback of compensation. If the loan is taken in months 1 - 6, the chargeback is 100% of the compensation paid on the amount of the loan. If the loan is taken in months 7 - 12, the chargeback is 50% of the compensation paid on the amount of the loan. Loans are considered a reduction of premiums in excess of CTP, and secondly a reduction of premiums paid up to CTP. If a loan taken within the first 12 months is repaid during the first 12 months, the amount of chargeback attributed to the loan repayment will be paid to the General Agent. <b>*Special Note: Nationwide's chargeback policy varies by product, and may change with elective riders. Please consult Nationwide's actual contracts for chargeback information.</b>
